In the event of any formal hearing before the Mayor and Council, the Officer shall be notified in writing according to law and given the hearing day, nature of the charges, and the complainant's name and address, and the names and addresses of any and all witnesses. Section 6.

Regular officers shall have first refusal (for overtime) in filling vacant shifts that arise as a result of personal days, sick days, overtime days off, etc. being taken by other regular officers as long as taking a vacant shift does not result in an officer working a double shift of more than fourteen (14) consecutive hours. However, whenever a shift becomes vacant within sixteen (16) hours of its commencement and every other Regular and Special Officer who is qualified to take such shift, has been contacted and the shift commander has not been able to fill said vacant shift, then he is authorized to allow an officer to remain on duty to cover same. With respect to the last sentence, said vacant shift should be split between officers from the prior and subsequent shifts whenever possible.

Whenever possible, vacant shifts shall further be filled by regular officers of like rank.

An employee shall only be required to serve two (2) consecutive shifts with eight (8) hours between same once a month where required for normal shift changes. The intent of the aforementioned sentence is to enable the proper administration of the department during periods when an employee is being transferred from one time period or shift to another time period of shift.

Notwithstanding the above, the Association shall have the opportunity to propose an alternate weekly work schedule averaging not less than 2,080 hours each year. The alternate work schedule must contain a corresponding adjustment of all contractual time off and overtime compensation so that there is no increase in the contractual benefits provided by the Municipality.

Section 2.

The work schedule shall be posted at least thirty (30) days in advance. Further

it is understood and agreed that for just and reasonable cause, same may be changed at a later date if found to be necessary for proper operation of the Department and the welfare of the Borough.
